

*Flushing Monthly Meeting
Report to New York Quarterly Meeting
Year 2018, Seventh Month, Day 14*

Flushing Meeting has met every first day at 11 am for Meeting for Worship and every first first day of the month for Meeting for Worship with a Concern for Business since our last report in January 2018. Our Religious Education committee holds a first day school for our younger attenders during Meeting for Worship every first and second first day of the month. We continue to have up to 6 children attend from the ages of four to nine.

Our members number at 24, with an additional 10-15 attenders. Since our last report, we have had no changes in membership.

Please join us in holding long time member Nancy Seroff in the Light as she continues to face significant health challenges.

We invite everyone to visit Flushing Monthly Meeting! Please come worship with us.

In Peace,

Ninon Rogers and John Choe (Co-Clerks)
