Committees are encouraged to bring queries to meeting for consideration.
On second first days, social hour is extended for 30 min in order to encourage more fellowship.
During Meeting for Worship with a Concern for Business, Friends will worship queries from the clerk and from M&W focused on where we are as a meeting and where want to be in the future.
Friends will continue to have other essential business brought to meeting as well.
On 5th Sundays, have one Meeting for Worship that begins at 10 am and ends at noon.
Following worship a meeting dinner. This could take place as friendly 8's or as a single meal.
During this year, committees are encouraged to make time to fellowship with each other. This could be as simple as having a meal together with no business for part or all of the meal.

A friend suggests having a table set up during weekly social hour to encourage people to sit and enjoy fellowship longer. Friends agree to do this moving forward. Friends also suggest and agree to invite Manhattan monthly meeting to join for 5th Sunday worship and dinners, and to have the 5th Sunday dinners in the cafeteria. Friends approve of the jubilee proposal.
