

Report of Brooklyn Meeting,  
New York Quarterly Meeting, 19<sup>th</sup> day of First Month, 2020.

Brooklyn meeting held worship every First day at 9:00 and 11:00 AM as well as Third day at 6:30, including Christmas eve and New Year's eve. Meeting for worship with a concern for business was held the first First day of November, December and January, 2019.

This Quarter we welcomed four people in membership, Ted Bongiovanni, Yana Landowne, Drew Philigene, and Landon Tan. We are grateful for their love and support of our meeting, and for their membership. We accepted Siobhan Glynn 's request to be removed from membership with sadness. We wish her well.

In November, we held a meeting retreat at Powell house. The theme was "Sharing Our Spiritual Journeys". Fifty seven adults and 10 children attended, including a member from other meeting in the Quarter. We were delighted to have her join us. Anne Pomeroy led us in several worship sharing and activity sessions to deepen our spirt and worship. Thank you Anne !  
December 15, we held our Holiday gathering after meeting.

Our regular activities, community dinner, adult education sessions and hymn singing each month, and first day school each week continued. The property committee has provided gender neutral signs for our bathroom facilities. We are very grateful to all of our committees for their work in supporting and deepening our sense of community.
