

**FLUSHING MONTHLY MEETING
NYQM REPORT
JANUARY 17, 2021**

Flushing Monthly Meeting has had one death of an occasional attender, Robert Sheff, also known as Blue Gene Tyranny, who passed away Dec 12, 2020. He was a noted composer of avant garde music and had been a keyboard player for Iggy Pop among other well known musicians. There will be a memorial for him at Flushing meetinghouse when Covid 19 abates.

A clearness committee has been formed for the upcoming marriage of two attenders, Chase Baldwin and Daniella Salazar.

Flushing Monthly Meeting has been engaged in contributions to local food pantries and other not-for-profits during the pandemic and is working at increasing these contributions.

Our worship and First Day school have continued on Zoom since early March, 2020. There were four hybrid worship sessions but these have been discontinued as the pandemic has surged.

In Friendship,
Jeffrey Guyton
