### **“ROSES TO MISSIONS” REPORT BACK, A PUBLIC ONLINE EVENT**

You are cordially invited to the “Roses to Missions Report Back,” an online event organized by Peace Action Fund of NYS and Manhattan Project for a Nuclear-Free World. Volunteers and organizers of the “Roses to Missions” action will share their experiences and memories with the audience. A Q&A session will follow after the presentations.

“Roses to Missions” is an initiative by volunteers in New York City and was endorsed by more than 40 groups in the NY area. We delivered roses and thank-you notes, during the week of January 18, to the Permanent Missions to the United Nations of state parties that have ratified the Treaty on the Prohibition of Nuclear Weapons.

“Roses to Missions” action was a way to express our deepest gratitude to those state parties for their courageous and inspiring actions by ratifying the Treaty, despite enormous pressure from nuclear-weapon states not to sign or ratify it.

The “Roses to Missions Report Back” is free of charge and open to the public. Please save the date and register in advance for the Zoom event by visiting the following link.
