

20220710 Flushing Monthly Meeting

This time for Flushing Meeting has been characterized by ongoing outreach to folks within Flushing, in addition to our regular activities of hybrid worship, Zoom Children's Meetings, CSA food distribution, Interfaith Breakfasts, and small tours of the meetinghouse.

June 18th saw an all-day Juneteenth Celebration outside with barbecued picnic food, live music, and step dancing on the big back porch and members from various faith groups. In May we hosted a volunteer work and worship day for Friends Seminary's entire fifth grade class and they worked and played hard and worshipped with many messages of gratitude and generosity.

There was a work day with Boy Scout Troop 888 outdoors. We are trying to cast a wide net in our outreach and making strides.

A Zoom meeting with a Friend from the Quarter's CQL, however, revealed some of the ongoing strains and disunity we have been experiencing and struggling with for some time.
